

Penrod Itinerary – Sat Sept 7

Parking:

Pay-to-park onsite options are available but are extremely limited on Fair day. Shuttles will be regularly cycling between the free parking options below and the main entrance to the Fair.

- State Fair South Lot Parking - 1201 E 38th St. - **Performers are encouraged to use the Fairgrounds as parking option #1 due to its vast parking area and easy shuttle service along 38th St..**

A parking map can be found at <https://www.penrod.org/arts-fair-faq>.

Load-in/Arrival:

Dancers should carpool and be dropped off with a chaperone at any public gate (42nd St is the closest gate to the stage, The Dance Stage, located in the Children’s Area) to ensure timely arrival to “Call” and eliminate time spent on shuttle when parking at the Fair Grounds. You will likely have bags searched, so be prepared for this.
