2:00p Tip off

While in auxiliary gym, there will be an organized group warm up, practice run thru of how to enter/ exit floor, run dance and group picture taken. You are expected to be kind, courteous and supportive of staff and each other.

JrCo will enter first with Miss Stella and set beginning pose center court while SrCo runs in beginning line up to 4 steps in front of back side line, hold parallel feet, arms down and smile while JrCo performs.

As JrCo end pose, count 4beats and run quickly forward to sit on front sideline, SrCo needs to hit beginning pose because music will begin immediately.

After we perform, our contact will walk us from gathering our belongings in auxiliary gym, directly to the seats with parents. Ms Crista & Miss Stella will go to back to entry to meet those who want to check out right away.
